

Berkeley Town Council Grants Policy

Adopted 2017

Reviewed and approved 20.7.20

Review and approved 19.7.21

Review Date: August 2022

Berkeley Town Council is funded by the residents of Berkeley and therefore has only limited funds available to assist community organisations located and working in Berkeley for the benefit of the community.

Subject to funding being available, Berkeley Town Council is committed to providing assistance and support to local community groups which are set up to promote community life for Berkeley residents. The Council's financial support is provided by way of Grants/donations which are decided against criteria set by, and which can be amended from time to time by, Berkeley Town Council.

In order for this Council to be able to assess applications rationally and objectively, many of which will inevitably be totally dissimilar in content, it is both necessary and helpful to assess all applications received against a range of criteria. These are designed to be a general indication of need but are not exclusive and can be flexibly applied.

The Town Council's policy on community grants is based on the principle of promoting the development of partnerships which encourage and enable local community organisations to deliver local projects to the residents of the Town. **BTC will refer to the Town Plan when considering donations.** In general, the following principles apply:

1. Assistance will be given on the basis of need, merit and contribution to the local community.
2. Applicants must clearly show how any assistance given will benefit the people living in the Town or will benefit the environment of Berkeley.
3. Any assistance given will be subject to on-going monitoring and subsequent evaluation of the outcome of the grant.
4. Organisations should not make a presumption that funding will continue on a year to year basis.

The Aims of the Council's Grant Making Policy

Berkeley Town Council provides grant funding to support the following aims:

1. To enable local people to participate in voluntary groups and activities.
2. To help the towns' voluntary groups to improve their effectiveness.
3. To ensure the provision of services, needed by the residents, via the voluntary sector.
4. To support organisations which meet the needs of people experiencing social and economic difficulties.
5. To ensure that there is equality of access and opportunity for all parishioners of Berkeley to the services it provides and funds.
6. To improve or enhance the local environment.
7. To achieve value for money.

The Council defines a voluntary group as a non-profit making organisation, set up and run by a voluntary, unpaid management committee.

The Council can only donate funds to organisations if the Council have a 'Power' to do so.

The Grants Process

To apply for a Council grant you must be a charity, community group or local voluntary organisation with a constitution* and dedicated bank account*, operating or providing a service to the community. All funding requests must use our application form and applicants should provide all information requested. (* please enclose)

The amount of money available for grants varies each year, depending on the overall council budget.

Berkeley Town Council supports a wide variety of grants/donations. Berkeley Town Council particularly welcomes applications from small or newly formed groups and those that have not applied to us before.

Berkeley Town Council uses the following criteria to decide on grant applications:

1. Whether the group/project has followed our grants process and meets our requirements and grant giving policy.
2. Level of benefit to Berkeley and the impact the grant will make.
3. Evidence of a well-managed group including previous experience and track record.
4. Financial sustainability and viability of group and/or project.
5. Evidence of partnership working.
6. Evidence that funding has been sought from other sources and the level of match funding available.
7. Evidence of compliance with previous grant award conditions.

Berkeley Town Council will not fund the following:

1. Organisations that do not provide a service to the community in Berkeley.
2. Individuals or appeals supporting an individual.
3. General appeals.
4. Statutory organisations or the direct replacement of statutory funding.
5. Political groups or activities promoting political beliefs.
6. Religious groups where funding is to be used to promote religious beliefs.
7. Arts & sports projects with no community or charitable element.
8. Medical research, equipment or treatment.
9. Animal welfare.
10. Projects that may take place before an application can be decided.
11. Organisations that have a closed or restricted membership.
12. Equipment or other costs that have already been purchased or incurred prior to the application being considered.

BTC Grants- Grants are usually offered on a one-off basis to support a particular project, event, activity or the purchase of equipment. They are also open to new groups wishing to start up and receive a small contribution towards their running costs.

Such evidence of how the money has been spent should include copies of invoices and receipts, plus attendance numbers, photos, press clippings, etc. where applicable. This information should be submitted within 1 month of the event/project end or by the end of February each year whichever is sooner, so that it can be reported at the Annual Council Meeting.
