13 October 2020

High Street, Berkeley

Dear Sir/Madam

What: Road closure for footway improvement works  
Where: High Street - see overleaf for details of the exact location  
When: 26<sup>th</sup> October to 13<sup>th</sup> November (excluding weekends), from 0730 to 1700 daily

On behalf of Gloucestershire County Council, we will shortly be improving the footway at the above location. Please see the map overleaf showing the extent of the scheme.

To ensure the safety of pedestrians, road users and our workforce, **it will be necessary for us to close the road to through traffic**, because of size of machinery that will be used and the road width.

It is likely that some sections of this footway will need to be closed while we work on them. We will do everything we can to accommodate pedestrian access in and out of properties and apologise for any disruption.

Please note that parking on the road adjacent to this stretch of footway (as marked on the map overleaf) will be prohibited between 07:30 and 17:00 during the works. We will make every effort to contact the owners of any vehicles left parked on road, but if unsuccessful, we may have to arrange for them to be removed to a secure area until collected by owners.

**Polite note - once the final surface is applied, please leave a couple of hours for the hot material to settle before you drive over it.**

Thank you in advance for your patience and co-operation. If you have any queries, please email us at [highways@gloucestershire.gov.uk](mailto:highways@gloucestershire.gov.uk).

Yours faithfully,

Martin Summons  
Supervisor For and on behalf of Ringway
